

**2nd International Conference
on**
**Recent Advancement and Modernization in Sustainable Intelligent Technologies & Applications
(RAMSITA-2026)**
February, 06-07, 2026
SESSION WISE AWARD WINNERS

Session No.	Paper/Poster ID	Paper/Poster Title	Track Name	Presenter Name	Institute Name
1	136	A Multiscale GAN-SOD Yolov7 Framework for Robust Small Object Detection in Complex Underwater Environment	AI, Intelligent Systems and Automation - 1	Atul R Patil	Amity School of engineering and Technology, Amity University Raipur, Chhattisgarh, India
2	208	Adversarial Training Using FGSM Attack for Convolutional Neural Networks	AI, Intelligent Systems and Automation - 2	Neha Mehra	SGSITS Indore
3	P2	A Machine Learning Approach for Prediction of Stress, Depression and Suicide Ideation in Indian Armed Force	Best PhD Thesis Presentation Track	Col (Dr.) Sudipto Roy	Shri Vaishnav Vidyapeeth Vishwavidyalaya, Indore
4	294	A Guaranteed Contract Farming System for Stable Market Access	Blockchain Technology/Cyber Security/Ubiquitous Computing, Networking and 5G Technology	Dr. Shikha Tiwari	Amity School of Engineering & Technology, Amity University Raipur, Chhattisgarh, India
5	232	Life cycle assessment of concrete using treated grey water	Green Computing and Sustainability/Renewable Energy and Global Sustainability/Smart City, Smart System and VLSI Based Technologies	Dr. Jayant Awasthi	Acropolis Institute of Technology and Research, Indore
6	12	GovGuideBot: LLM for Government Document Assistance	Information Technology and Cyber Law	Tousif Tamboli	G H Raisoni College of Engineering & Management, Pune
7	384	ArogyaJal	Research Poster	Priyanshu Sharma, Shubh Sharma, Kshitij Chitranshi, Lovekush Nagda	Acropolis Institute of Technology and Research, Indore
	433	Smart City Intelligent Surveillance System	Research Poster	Arohi Kate, Aafreen Khan, Chitransh Sharma	Acropolis Institute of Technology and Research, Indore
8	293	ASTITAVA: An AI-Powered FRA Atlas and Decision Support	Research Poster	Aryan Singh Bhadoria, Akshay Khanna	Acropolis Institute of Technology and Research, Indore
	424	FlowGuard: A Smart Traffic Management System for Dynamic Congestion Control and Emergency Corridor Creation	Research Poster	Ambar Yadav, Anuj Malviya	Acropolis Institute of Technology and Research, Indore
